

## Reception Overview

This is the skeleton overview. This will be enhanced throughout the year with topic threads etc will follow children's interests throughout the year. Real life experiences will be added to linked to the children's interests in topics and to enhance the learning, giving it a purpose. Home learning and information from parents linked to child focus weeks will be taken into account – children's talents and experiences from outside school. Parent helpers (linked to skills from curriculum evening info) to be utilised. **Record opportunities on SP planning sheets please so adults have time to plan things in and get resources.**
