

<p style="text-align: center;"><b>Personal, Social and Emotional</b></p> <p>We will be continuing to use our 'Golden Values' to support and ensure the children demonstrate a respectful and caring attitude towards their friends and teachers. As they play we will continue to teach the children to share and take turns, resolve conflicts when they arise and manage their feelings to be able to have fun as they play. We will also continue to recognise the children's achievements and share these achievements with their friends, parents and carers.</p>	<p style="text-align: center;"><b>Communication and Language</b></p> <p>We will continue to follow the children's interests through their play and plan small adult led activities to develop and extend the children's communication and language skills. This half term we will be looking at Spring and Easter planning activities around these events.</p>	<p style="text-align: center;"><b>Physical Development</b></p> <p>This term we will be learning what happens to our bodies when we exercise using our school playgrounds and field. Through adult led activities such as our 'snack' time we will give children the opportunity to experience and learn about di To develop their fine motor skills and learn essential skills for Reading and Writing, the children will continue to mark make using pens, chalks, paints etc</p>
<p style="text-align: center;"><b>Maths</b></p> <p>Over the Spring term we will be singing number rhymes/songs, counting objects related to the children's interests and events happening during the Spring Term e.g weighing ingredients to make cakes for Mother's Day Tea Party, Pancake Day and Easter</p>	<p style="text-align: center;"><b>Nursery Curriculum Overview Spring Term</b></p>	<p style="text-align: center;"><b>Reading and Writing</b></p> <p>To develop the children's Reading and Writing skills we will continue to share stories, poems and information books encouraging them to describe, predict and recall what they see in the books. Also, our 'Library Day,' is every Thursday where you can choose a book with your child and share it together at home. We will develop the children's understanding of writing messages for a purpose e.g Mother's Day Tea Party invites.</p>
<p style="text-align: center;"><b>Understanding the World</b></p> <p>To extend and deepen our children's understanding and knowledge of their immediate world we will look at celebrations e.g Pancake Day, Mother's Day and Easter. Our children continue to be fascinated by the wildlife, plants and insects in our Nursery garden. The children will continue caring for the nursery garden and planting crops which we can eat at snack time.</p>	<p style="text-align: center;"><b>Expressive Art and Design</b></p> <p>Using a range of creative and malleable resources the children will explore, junk modelling, painting techniques and using the large building equipment in the garden to create dens. We will be extending the skills they learnt last half-term into this term e.g using real life bricks to build with.</p> <p>We will be building on the children's wonderful Imaginative skills by providing them with opportunities and the appropriate resources to learn new skills through role-play e.g Superheroes and Occupations.</p>
