

<p style="text-align: center;"><b>Geography</b></p> <p>We will be creating maps of basic human and physical features in our Enchanted Woodland. We will also begin to look at the symbols in a key of a map.</p>	<p style="text-align: center;"><b>Science</b></p> <p>We will be learning about different woodland plants and animals. We will be learning about the structure of a plant and labelling the different parts, we will also look at deciduous and evergreen trees. We will also be looking at animals and objects and discussing whether living, non-living and have never been alive.</p>	
<p style="text-align: center;"><b>Maths</b></p> <p>This term we will be continuing our work on place value to fifty and beginning to compare these numbers. We will be looking at informal measure of length and height and begin to use cm. We will also be looking at informal measures for weight and volume before beginning to use kg and ml.</p>	<p style="text-align: center;"><b>English</b></p> <p>We are looking at poems this term and will write our own poems based around the seasons. We will be using a variety of adjectives in our poems for emphasis. We will also be looking at the story of “Where The Wild Things Are” to look at retelling a familiar story before adapting to make our own story.</p>	
<p style="text-align: center;"><b>PE</b></p> <p>In PE we will be working on our special awareness and how to travel in different ways. We will also be looking at a variety of balances we can do with our bodies.</p>	<p style="text-align: center;"><b>Year 1 Curriculum Overview Spring Term Enchanted Woodland</b></p>	<p style="text-align: center;"><b>Phonics</b></p> <p>We will continue applying our sounds to ‘real’ and ‘alien’ words. We will begin looking at alternative spellings of the same sound.</p>
<p style="text-align: center;"><b>PSHE</b></p> <p>We will be focusing on how to look after the environment around us.</p>	<p style="text-align: center;"><b>DT</b></p> <p>We are designing and making our own animal dens. We will also be making our own party food.</p>	<p style="text-align: center;"><b>RE</b></p> <p>We will be learning about different Christian celebrations, such as Palm Sunday and Shrove Tuesday.</p>
<p style="text-align: center;"><b>Computing</b></p> <p>We will be using computers to create our own woodland pictures.</p>	<p style="text-align: center;"><b>Art</b></p> <p>We will be using natural materials to create woodland art. We will also be discussing the properties of different materials and deciding which is best to use in our pieces.</p>
