

<p style="text-align: center;"><b>Geography</b></p> <p>We will be looking at aerial photographs from space and identifying geographical features.</p>	<p style="text-align: center;"><b>History</b></p> <p>We will be learning about famous astronauts. We will also be sequencing events from the past.</p>	<p style="text-align: center;"><b>Science</b></p> <p>We are focusing on materials and identifying their properties. We will also be learning about the planets and our solar system.</p>
<p style="text-align: center;"><b>Maths</b></p> <p>This term will be using positional language to support our topic learning. We will be learning number bonds to ten and using different resources to help us to solve addition and subtraction problems. We will be extending our knowledge of place value to explore numbers to twenty.</p>		<p style="text-align: center;"><b>English</b></p> <p>We will be learning to write a non-fiction report about aliens. We will also be learning and retelling a story about an alien. Through this, we will still be working on using capital letters, finger spaces and full stops in our writing. We will be continuing to focus on learning to read and write new sounds in our phonics sessions.</p>
<p style="text-align: center;"><b>PE</b></p> <p>In PE we are going to be exploring our space topic through dance and movement. We will be learning to sequence a number on movements into a dance routine.</p>	<p style="text-align: center;"><b>Year 1 Curriculum Overview Autumn Term Moon Zoom</b></p>	<p style="text-align: center;"><b>Phonics</b></p> <p>We will continue have a big focus on phonics over the year so the children are prepared for the phonics screening in the summer. The children will be learning “real” and “alien” words.</p>
<p style="text-align: center;"><b>PSHE</b></p> <p>We will be focusing on themes such as Remembrance Sunday and Children in Need. We will also continue to learn about our Golden Values.</p>	<p style="text-align: center;"><b>DT</b></p> <p>We will be designing and making our own spacecraft, labelling the different parts of our design. We will also be making a moving model such as a moon buggy using wheels and axels. We will be evaluating our designs.</p>	<p style="text-align: center;"><b>RE</b></p> <p>This term we will be focusing on learning about Divali.</p>
<p style="text-align: center;"><b>Computing</b></p> <p>We are learning how we use everyday ICT. We will be using a paint program to make our own alien pictures.</p>		<p style="text-align: center;"><b>Art</b></p> <p>We will using a range of materials to make alien collages. We will also be making our own model planets.</p>
