

<p style="text-align: center;">Personal, Social and Emotional</p> <p>We will be continuing to use our 'Golden Values' to support and ensure the children demonstrate a respectful and caring attitude towards their friends and teachers. As they play we extend the children's skills on how to resolve conflicts when they arise and manage their feelings to be able to have fun as they play. Through our trip to Morrison's and Mill Pond, we will be looking at keeping ourselves safe.</p> <p>We will also continue to recognise the children's achievements and share these achievements with their friends, parents and carers.</p>	<p style="text-align: center;">Communication and Language</p> <p>We will continue to follow the children's interests through their play and plan small adult led activities to develop and extend the children's communication and language skills. Through their 'Chatterboxes,' summer related activities and local trips we will be using real life experiences to deepen the children's understanding of and applying their communication and language skills.</p>	<p style="text-align: center;">Physical Development</p> <p>This term we will be learning what happens to our bodies when we exercise using our school playgrounds, fields and walking on trips in the local environment. We will also be challenging our children to take 'controlled risks' learning how to use our equipment safely in preparation for sports Day.</p> <p>To develop their fine motor skills, essential for Reading and Writing, the children will learn through play e.g mark making outside using chalks, KS1 playground to build upper shoulder strength.</p>
<p style="text-align: center;">Maths</p> <p>Over the Summer term we will be singing number rhymes/songs, counting objects related to the children's interests and events happening during the Summer Term. We will be looking at patterns in the environment and shapes, through our Morrison's Trip, making Daddy Day cards and looking at our 5 senses.</p>	<p style="text-align: center;">Nursery Curriculum Overview Summer Term</p>	<p style="text-align: center;">Reading and Writing</p> <p>To develop the children's Reading and Writing skills we will continue to share stories, poems and information books encouraging them to describe, predict and recall what they see in the books. Also, our 'Library Day,' is every Thursday where you can choose a book with your child and share it together at home. Through the children's interests, Daddy Day Tea Party and Morrison's trip the children will learn how writing is used for a purpose.</p>
