

Spring 1 Term – Newsletter Updates

UPDATES

Families,

As we move into the Spring Term, we are still battling with increasing Covid numbers. Numbers are higher now than they have ever been and our priority continues to be operating safely while providing education for all children. We have decided to maintain all Covid measures until at least February half term and we will continue to monitor the numbers carefully. Please continue to only come into the school building if you have an appointment and wear a mask.

One of our biggest challenges will be staffing levels and as a very last resort we may have to close classes. If this happens, then we will inform you as soon as possible and ensure regular updates. Online learning will be provided. We want to thank you all for your understanding and cooperation with this; we do understand how challenging this term has been. Please remember that if you or your child are showing **ANY** symptoms you **MUST** book a PCR test. You must also inform the school the result of the test, as soon as possible.

Mr Cope is continuing to recover and is set to return after February half term on a phased return. I want to thank you all for your support while Mr Cope has been absent.

We are finishing on Friday 11th February at 3:10pm. School re-opens on Monday 21st February.

I wish you a safe and healthy half term.

Miss. Cook

Year 5/6 Indoor Athletics

Wildridings took part in an Indoor Athletics competition on Friday 14th January at the Bracknell Leisure Centre. Previously, this has been a hugely successful competition for Wildriding; resulting in medal place finishes and the trend has definitely continued!

After a fantastic afternoon session of winning races, jumping the highest and throwing the furthest, Wildridings finished the afternoon in first place out of 9 schools. However, the results overall were not confirmed as another 9

BE THE BEST YOU CAN BE – RESPONSIBLE-SAFE-RESPECT-LISTEN-HONEST

schools competed in the morning. After a few days, it was confirmed that Wildridings finished in second place (out of 18 schools) and collected the silver medal position.

A fantastic achievement for the talented pupils of Wildridings – Well done EVERYONE!

Parents Evening

Parents Evening will take place on the 8th, 9th and 10th March. Due to the current Covid numbers, we have decided to carry out phone appointments. You will be able to make appointments on PMX Parentmail and will be notified when this is available.

If the situation changes then we will inform you.

Dinosaur Day in Year 1

Year 1 enjoyed a day of dinosaurs this half term. The children were able to gain some practical experiences of walking like dinosaurs, looking for fossils and seeing models of various species.

It was great to see the children so enthusiastic about their learning and in particular, seeing their faces when the giant, moving T-Rex entered the school hall!

Thank you to the Year 1 for organising.
