Dear Parents and Carers,

Welcome back to you all and I hope you had an enjoyable and fun-filled summer break with your children. I am sure everyone enjoyed the break from school, but I must admit that it's like the children have never been away as they have settled back into the routines and expectations of school exceptionally well. Having been around all of the classes over the past few days, the learning environment is incredibly calm and purposeful, and the children should be incredibly proud of the start they have made to the academic year!

With the children returning on Wednesday, all staff spent time on the INSET Day completing safeguarding training together with exploring our new vision and values. You might remember that back in the summer term a survey was shared with you all, together with staff, pupils and governors, asking for your thoughts and ideas, which has led to the adoption of our new school vision:

Belong - Believe - Become

and with our school values being:

Teamwork
Resilience
Ambition
Curiosity
Kindness

We will spend time over the coming weeks and months ensuring we strive to embody the vision and that the values run through every aspect of school life like a stick of rock. One of the first steps of this process has been to update the Behaviour Policy to reflect the new values and as part of this we have introduced TRACK tokens for pupils, (which I'm sure the children will tell you about). If you want to explore the Behaviour Policy in more detail then please [click here](#).

With the introduction of a new vision and values, there have also been some updates to the premises over the summer too! Mr Dawes was kept busy as a significant part of the Key Stage 1 building has had the roofing replaced, both School Halls and Percival Classroom have been redecorated, and the Andy Hey Memorial pitch has been laid on the old football court (more on this in a future newsletter). Hopefully when you're next in and around the school building you will notice the positive impact these much needed improvements have had on the premises.

And finally, children will be coming home with reading books next week but we apologise for the slight delay in doing this but it is linked to us moving across to a reading app called

Over the next few days information will be shared by Miss Cole via Parentmail about how to create an account and log the reading done by your child, (and they can also create their own Avatar too), so please do keep an eye out for this.

Have a lovely weekend.

Mr B Ellis (Headteacher)

Diary Dates

September 2026

Thursday 10th – Involve Coffee Mornings (weekly)

Tuesday 15th – Monday 21st – Book Fair

October 2026

Friday 9th – Fraser Photographs (Individual)

Morpurgo	Daniella		
Rauf	Seren		
Zephaniah	Lola		
Pullman	Aidan		

The House Point results will return next week!

Staffing Arrangements 2026-27

With the start to the new school year and in addition to the staff changes you were told about at the end of the summer term, Miss Springett (TA) and Mrs Dalton (teacher) have decided to pursue other exciting opportunities from September. I am sure you will join me in thanking them for the contributions they made to school during their time with us and we wish them every success in the future. Therefore I would like to take this opportunity to introduce you to a further three new staff members who have joined us:

Miss Tutt – is an experienced Higher Level Teaching Assistant who will initially work across the Reception classes but later in the year will lead on the introduction of outdoor learning across the school

Mr Henry – has previously worked in local schools and will support our oldest pupils across Years 5&6 with both their learning and wider pastoral needs

Mrs Bhogal – is an experienced teacher who has taken over the responsibility of Rauf Class in Year 5

I am sure you will join us in welcoming these staff members to our school, but if you would like to see a full breakdown of the staff members at school and which year groups you will find them in, please take a look at the ['Our Staff'](#) section of our website.
